GRIFFITH PISTOL CLUB INC 2019 SHOOTING CALENDAR

Saturday 21/12/2019 Club shoot: 11am Metallic Silhouette rim fire / 2pm - International Rapid Fire - 25m range / Service Pistol - 50m Range

Sunday 22/12/2019: National match any centerfire pistol or revolver reduced range 25m / Action match or Service pistol 50m range

NB: If the nominated shoot has been completed and there are other members who wish to shoot another sanctioned match or reshoot a match with another caliber then that can ONLY be completed once the nominated calendar shoot has finished allowing two scored / compulsory shoots per visit.

NB: Nominated qualified Range officers for each club shoot are responsible for the picking up of the club guns from the armorer and cleaning if so required. Range officers can delegate another responsible person to run matches if so required as the Range officer has TOTAL control of the whole range for that day.

- **Field pistol will be held at the Rankins Springs Range – 2nd Sunday of each month February through to November.**
- **The main club shoots are nominated above. All members and new members especially are encouraged to attend these shoots. Scored shoots can also be held on other Saturday, Sunday and Tuesday afternoon's. These are the only days when scored attendances will be recorded. Only sanctioned matches can be shot as per range licence and scored as required by the match rules. These can be accepted as your yearly shoot attendance only if shot to the match requirements. (minimum 2 persons including R/O)**
- **Practice shooting is allowed if accompanied by a responsible person any day as per range licence caliber restrictions.**
- **MINIMUM two persons at all times if shooting is to be commenced.**
- **Shooters are responsible for their own safety. Only sanctioned matches are covered under SSAA insurance and these are the only ones that can be shot on the Griffith pistol club range. If you injure yourself outside of these matches or practice any unsafe firearms handling or shooting at unsanctioned targets only YOU are liable and the club will NOT be liable for any injury you sustain as a result. You may be liable for damages and or suspension from the club if these rules are breached.**
- **NO copper jacketed, FMJ, TMJ projectiles are allowed. Coated lead and copper plated projectiles are allowed.**
- **Monthly club meetings held 1st shoot of the month at 1pm. All members as well as new/prospective members are encouraged to attend.**
- **Annual General meeting 1st shoot day in October start at 1pm.**
- **P650 forms MUST be completed correctly for unlicensed shooters @ \$10 per visit by fully licenced current members only. If unsure speak to committee member for advice. Compliance is a must, non negotiable.**
