

GRIFFITH PISTOL CLUB Inc

MEMBERSHIP RENEWALS - 2023

Club membership expires on 31 October 2022 with fees to be paid by then. These fees cover club membership insurance, range fees, targets, patches, fuel, range maintenance etc, for the next 12 months.

Please attach to the Membership Renewal Form photocopies of:

- **Your current Shooters Licence**
- **SSAA card**
- **Pensioner concession card – if applicable**

Membership can be paid by cheque, money order or cash. You can also pay your membership by electronic funds transfer. The Club's banking details are:

Account – Griffith Pistol Club General Account
BSB – 062 548
Account no. – 0090 2770
Reference: Your Name

Remember to add your surname as reference on your transfer so the Treasurer knows who made the payment. You still have to forward your completed Membership Renewal Form and supporting documentation to the Club.

Only financial members are eligible to vote at the AGM, **renewals received after 1 November incur a late fee of \$20.** **Members who are late renewing risk becoming unlicensed members as the club is required to report to Firearms Registry within 14 days any members who leave the club or do not renew their membership.**

Due to a number of members not checking their details and updating expiry dates, the renewal forms will not be prefilled this year to eliminate this problem. There will be blank renewal forms available at the meeting.

I would also ask that members consider providing a donation to the club at the time of renewal; we rely heavily on membership fees for income. If you would like to make a donation, please complete below and return along with your membership renewal form.

Member Name: _____

Donation Value \$ _____

Best wishes

SECRETARY

Evelyn Blackburn
